COMMISSIONER JACK MORMAN NAMES CROSBY NATIVE AND HUFFMAN RESIDENT JEREMY PHILLIPS AS SENIOR DIRECTOR OF INFRASTRUCTURE

Commissioner Jack Morman has selected Jeremy Phillips, a Crosby native and Huffman resident, to serve as the new Senior Director of Infrastructure for Precinct 2. Jeremy comes to Precinct 2 from the Harris County Public Infrastructure Department where he served as a project and operations manager across several divisions of the department, including leadership of Hurricane Ike cleanup efforts in 2008.

Phillips will lead the day-to-day infrastructure development across Precinct 2 and manage all current and future infrastructure projects. He will monitor, inspect and review site development and public improvements, manage the construction of local drainage improvements, review plats, plan and oversee the specifications for various projects within Precinct 2.

Mr. Phillips is a graduate of West Point and served our nation in Afghanistan, earning a Bronze Star and numerous other medals and badges. He was a leader in programs supporting helicopter operations and ground security. He also has a master's degree from the University of Houston in project management logistics and is a certified project management professional.

"I am proud to announce Jeremy as the newest member of the Precinct 2 team," said Commissioner Morman. "He definitely has a lot to offer and I look forward to working with him in the years ahead."

Mr. Phillips is a 1995 graduate of Crosby High School, where he played multiple sports before his nomination to the United States Military Academy and subsequent service to his country in the U.S. Army. He lives in Huffman with his wife Kristy and three young children.

"I think it's just great to have someone with deep roots in our community working to improve life for the residents of Precinct 2. Jeremy is familiar with our history and our culture." said Commissioner Morman.
