Community Impact

✚ The historic 1956 Sylvan Beach Pavilion has been many things to many people since it opened in 1956. The Pavilion has hosted Beauty Pageants, Weddings, Retirements, Quinceaneras, Ball Room Dancing and Community Meetings, just to name a few. By restoring the Pavilion, Harris County will give back to the community a rejuvenated structure that has earned a place in the hearts and memories of many.

Kirksey Architecture will give a general review and assessment of existing conditions. Historical designation requirements will also be discussed. Your ideas are welcome and valued.

BE A PART OF THIS EXCITING PROJECT! Bring your old photos showcasing memories with your family and friends at the Sylvan Beach Pavilion. We are especially looking for color photos that show original colors and finishes.

Staff will be onsite to scan and catalog the photos for a fun addition to the project. Your photos will be returned to you before you leave the meeting.
