Harris County Precinct 2 Continues Playground Improvements

Commissioner Jack Morman and Harris County Precinct 2 is proud to announce the recent completion of playground improvements at Gerber Park in the East Aldine area. These upgrades included the replacement of older playground equipment and installation of rubberized fall surfaces, shade canopies, park benches, picnic tables, and sidewalks. The playground sets can accommodate children from ages 2 to 12. The improvements at Gerber Park are part of our Parks Department's efforts to upgrade playground equipment across Precinct 2. We hope families enjoy the experience for years to come.

For additional information on Harris County Precinct 2 parks or to view photos of the upgraded playgrounds, visit www.hcp2.com .

One of Gerber Park's newest playground sets.
