Harris County and the State of Texas Complete Ashland Boulevard Sidewalk Project

CHANNELVIEW, Texas – Commissioner Jack Morman is proud to announce the completion of the *SaferRoutes2Schools* Alice Johnson Junior High School sidewalk project.

SaferRoutes2Schools is a Texas Department of Transportation program that partners with local municipalities and school districts to improve areas with high student-pedestrian traffic.

The \$586,000 improvement included the construction of a sidewalk along the north side of Ashland Boulevard from Proctor Road to Elgin Street. Commissioner Morman and the State coordinated this effort with Channelview Independent School District to improve safety for students traveling to and from Alice Johnson Junior High School.

For more information and updates on the Precinct, visit www.hcp2.com or like their Facebook page “Harris County Precinct 2.”
