Commissioner Morman Begins Playground Upgrades at Bay Area Park

HOUSTON, Texas – Starting Monday, July 10th, crews will begin playground upgrades at Bay Area Park. The \$520,000 project will include the replacement of older playground equipment, installation of rubberized fall surfaces, and shade canopies.

“Bay Area Park has many great features already from the dog park to the canoe launch, and even the boardwalk along Armand Bayou. This new playground will make the park even better,” said Commissioner Jack Morman.

The playground sets, designed by McKenna Contracting, Inc., will be equipped to accommodate children from ages 2 through 12. The project is expected to be complete by late September.

Residents are reminded that the Clear Lake Park playgrounds, which were upgraded last summer, are a great alternate until the Bay Area Park playgrounds are complete.

For more information and updates on the Precinct, visit www.hcp2.com and follow their Facebook page, “Harris County Precinct 2.”
